

VANICO MARONYX

The all-inclusive
bathroom design
experience

Java Collection

Beautifully matched to your
bathroom furniture

2 styles
to delight every taste

Version with apron

The perfect model if you want the luxury of a whirlpool system but you still want a look that blends with your furniture.

Wall-mounted Java with apron in solid wood, stained in Dark Cherry.

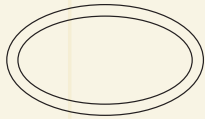

Version with exterior finish

Ideal for even the latest decor, this style also allows you to enlarge the piece.

Four kinds of deck panels

Two tub dimensions

Oval Java

The beauty of a free-standing tub with exterior finish, the perfect complement to a Zen environment.

The optional module for standard faucets is also available in a larger version to accommodate a therapeutic massage system.

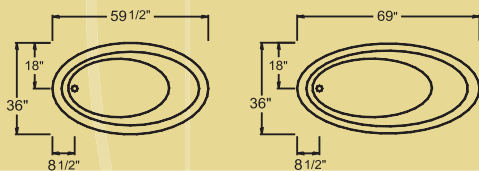

Oval Java with finished exterior in white Unimar. Modules in riftcut oak, Wengé color.

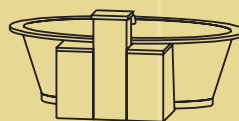

In addition to being moisture resistant, laminate lends Java a modern, finished look.

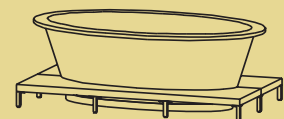

Tub dimensions

Module for therapeutic massage system

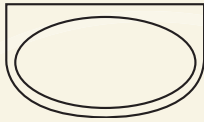

Platform model 59 1/2" x 36" or 69" x 36"

A wide choice of storage modules and apron styles

Wall-mounted Java

Storage modules add form and function and easily blend with your decor.

Wall-mounted Java with finished exterior in white Satine. Modules in riftcut oak, Natural.

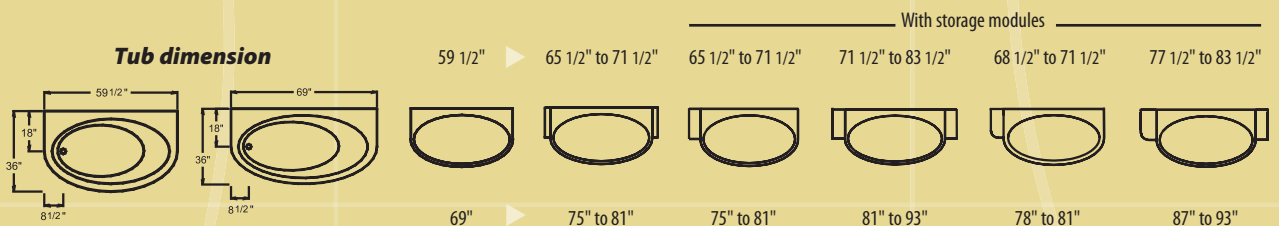

The wall-mounted, lateral and oval tubs are also available with footed platform beautifully suited to the pieces in our NU collection.

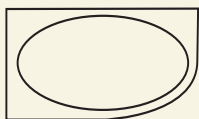

Wall-mounted Java with apron in natural maple.

Java extensions create a range of layout possibilities

A helpful range of materials: laminate, wood veneer, lacquer MDF, solid wood

Lateral Java

In the version with exterior finish, a wood insert conceals the faucets and/or the therapeutic massage system.

Storage modules are also available for Lateral Java model.

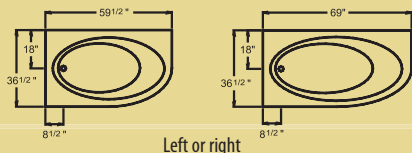

The wood veneer apron is an attractive and original way to conceal a therapeutic whirlpool system.

The apron can be easily removed for easy access to the taps.

Lots of layout possibilities

Tub dimensions

59 1/2" ▶

69" ▶

62 1/2" to 65 1/2"

72" to 75"

————— With storage modules —————

65 1/2" to 72 1/2"

75" to 81"

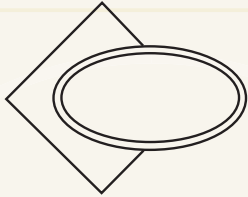

68 1/2" to 71 1/2"

78" to 81"

Available in three finishes: Unimar, Satine or Nacryl

Corner Java

To create an extraordinary bathroom, this Java design allows you to position the tub in the corner.

Plus, a storage module adds space and a touch of originality.

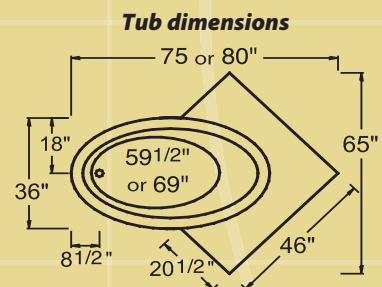

The Corner Java is designed to accommodate a therapeutic massage system.

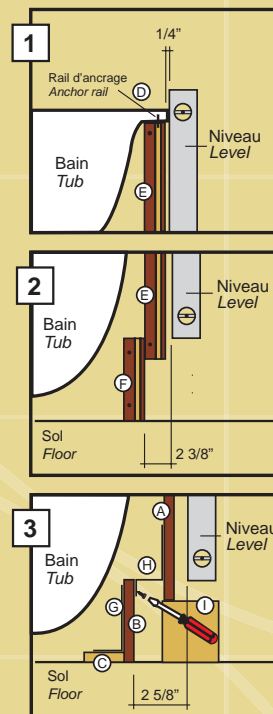

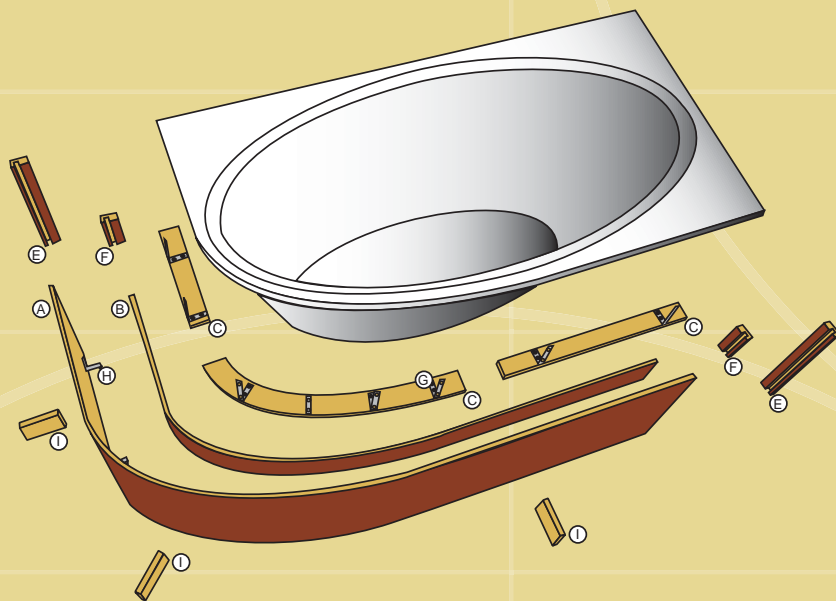

The corner Java with finished exterior, white Unimar tub, tap modules in maple, stained in Cherry.

The corner Java with tub apron in wood veneer, riftcut oak, Wengé. The aprons can be lifted for easy access to the taps.

Aprons and modules are simple to install... and easy to lift

Add to the sensual pleasure of your tub... include the Maestro system!

Maestro Whirlpool

3/4 hp pump, 6 adjustable jets, 2 air control fittings and 1 electronic starter with variable speed control.

Java apron only

The whirlpool system provides a powerful massage that relaxes and reinvigorates tired muscles.

Maestro Air

16 injectors, 1 turbine and 1 electronic starter with variable speed control.

All models (N.B. The oval Java with exterior finish must be equipped with the module for therapeutics).

Thousands of bubbles gently massage your body. A wonderful way to forget the day's cares and worries!

Maestro Must

Java apron only

A delightful combination: whirlpool and air jet Maestro systems.
