COLLECTION HIGHLIGHTS

REFINED DESIGN

The PLAZA vanity stands out with its recessed accent facade, enhanced by a hidden lighting source which is always included.

Customize its accent facade from over 500 combinations of materials and finishes to create a space that reflects your style.

The PLAZA is offered in three distinct versions; contemporary wall-mounted, metallic and transitional with legs.

Our quartz countertop is available in two thicknesses: a 3/4" version and a slim 3/8" version, to suit your aesthetic preferences. The PureSolid 1/2" vanity top adds a modern touch to your bathroom.

The PLAZA furniture has been designed to allow two users to carry out their daily routine simultaneously. By combining a PLAZA 42 sink, a large-format vanity and a mirror/medicine cabinet, each user has their own medicine cabinet and a set of drawers. This configuration optimizes morning routines for two!

Complete your layout with our slim medicine cabinets of refined proportions, equipped with laminated double-sided mirror doors for a flawless finish.

FEATURES AND HARDWARE

Discover the Hettich Avantech You drawer system. Designed with a slide of the latest generation, this system offers smooth and quiet operation.

The slim ash metal sides add a modern touch to your furniture. Easily organize your personal belongings with cleverly designed metal drawer dividers that optimizes storage space.

Option: The synchronized push-to-open silent feature allows effortless opening with a single press, even for wider drawers. You can also add the option of integrated lighting for perfect visibility inside your drawers.

The dressing station option is available across our entire range of medicine and linen cabinets. Designed to meet your beauty and care needs, this feature optimizes your daily routine.

Illuminate your daily routine with the thoughtfully designed lighting feature in all the products of this collection.

Our mirrors and medicine cabinets benefit from innovative lateral lighting, illuminating any shadowed areas for perfect visibility.

The interior of medicine and linen cabinets is animated by a light transforming each opening into a moment of clarity.

PLAZA CONTEMPORARY

Contemporary wall-mount furniture, designed to create a sense of grandeur, transforming your space with a modern and elegant touch, while optimizing the organization and style of the room.

OPTION

The drawers of our PLAZA vanities are equipped with adjustable dividers to optimize the storage of your personal items.

DIRECTION OF THE TEXTURE OR WOOD GRAIN

15 ½" H FACADE FOR THE LARGE VANITY DRAWER

A push-to-open silent mechanism is included for the large central drawer only. Available as an option for the side drawers.

An LED lighting strip enchances the central facade and illuminates the interior of the drawer when opened.

A wide range of fronts are available for this drawer, while the fixed front and the side section fronts always remain straight.

For the vanity, linen cabinet and medicine cabinet, the direction of the texture or wood grain is always vertical.
For the mirror, the direction of the grain is always horizontal.

DRAWER SYSTEM

AvanTech YOU

The AvanTech YOU drawer system is distinguished by its outstanding performance, variety of designs, flexible layouts and discreet technology. Use the adjustment capabilities (vertical, lateral and tilt) to obtain reveal alignment for your front panels.

The finely customizable products in style and configuration, along with the numerous options in the PLAZA collection, allow you to create furniture that represents your version of comfort. Here is how to design your custom furniture.

1. Measure the available space in the bathroom and determine your needs.
2. Choose your desired style: contemporary, metallic accent or transitional.
3. Choose a type of vanity. Add the desired options.
4. Choose a linen cabinet. Add the desired options.
5. Choose a quartz countertop with a sink or a vanity top.
6. Choose a mirror, a mirror/medicine cabinet or a medicine cabinet. Add the desired options.
7. Choose the materials and finishes for the furniture, countertop and handles.
8. Consult the Facades catalogue to select the style and finish of the accent facade.
